PAINTER NAT WILSON SHOOTING HIMSELF

Blows Out His Brains With Shot Gun
—Dependent Over Finan-
cial Losses.

OGDEN, April 16.—About half past
1 o'clock this morning Nat Wilson, a
painter and paperhanger, residing at
the Twenty-first street blew off the
top of his head with a double barreled
shotgun.

Wilson had been drinking heavily
for several weeks and in order to
secure funds had recently sold con-
siderable real estate at a sacrifice. His
financial losses, it is believed, preyed
upon his mind, inducing the desper-
ate act which resulted in his determina-
tion to end his life.

Wilson was 43 years of age and un-
married. He lived with his aged
mother at the address named. Mrs.
Wilson did not hear the report of the
gun, but awakening later was
attracted by some unknown in-
guise to her son's room.

Opening the door she stumbled over
the lifeless body.
The police were notified and Detec-
tives Pincock and Wardlaw, after
securing permission from the Justice
court, acting coroner, removed the
body to Lundquist's undertaking
parlors. An inquest will probably be
held today.

GEORGE W. EWALD LOSES LEG UNDER TRAIN

OGDEN, April 16.—George W. Ewald,
a well known veteran railroad man
fell under a moving train early Friday
morning and had his right leg cut off
below the knee. The accident occurred
near the commissary building at the
Union depot and was due to the fact
that Mr. Ewald, who has been em-
ployed for several years as a switch-
man, slipped from a flat car which he
was trying to board. Fellow employes
dragged him from his perilous position
and he was taken to the Ogden general
hospital where his injuries were prop-
erly cared for. For many years, Mr.
Ewald, who resides on Twenty-sixth
street, was in the employ of the South-
ern Pacific company as a passenger
conductor. He resigned from his posi-
tion some years ago and later entered
the employ of the company as a
switchman in the Ogden yards. He and
his family have the sincere sympathy
of local railroad men.

SMALL BLAZE AT DEPOT.

OGDEN, April 16.—A slight blaze at
the Union depot about 2 o'clock Friday
afternoon caused considerable excite-
ment in railroad quarters. A record
fire was made by the "fire lads" of the
Station No. 1, who found that a man
with a bucket of water had practically
extinguished the flames which started
in the roof of the building. The dam-
age was but nominal.

HEAVY SNOWS IN WYOMING.

OGDEN, April 16.—Owing to the
heavy snow storms in Wyoming, all
trains on the Union Pacific were great-
ly delayed Friday. The engines and
coaches were covered with snow and
ice and presented a wintry appearance
as they pulled up at the Union depot.

SUSPECTS ARRESTED.

OGDEN, April 16.—Henry Grady and
Charles Jones were arrested Friday
morning by Officers Robert Chambers
and Jerry Kolbier under suspicion of
having been implicated in burglarizing
a hardware store at Salt Lake. Three
revolvers and a number of razors
bearing the description of articles
taken in Salt Lake were found in their
possession. Salt Lake officers have
been advised of their capture.

JAILED FOR THROWING KISS.

OGDEN, April 16.—John DeVaney,
while staggering along a principal
street Thursday evening in an in-
coordinated condition, met a winsome Ogden
girl and doffed his hat and threw a
kiss. The lady called an officer and
the man put up at the city hall for
the night. A friend deposited the
necessary \$5 bail Friday morning and
the offender was given his liberty.

WEBER STAKE CONFERENCE.

OGDEN, April 16.—Quarterly confer-
ence of the Weber stake will be held
at the tabernacle Sunday at 10 a.m.
and 2 p.m. Several of the general au-
thorities from Salt Lake will be in at-
tendance. A special musical program
has been arranged by Prof. Joseph Bal-
latyne and the tabernacle choir. The

In the spring everybody that gives Hood's Sarsaparilla a good fair trial strongly
recommends this great medicine. What does this mean? It means that thousands of
people, men, women and children, every year find in Hood's Sarsaparilla renewed
health, strength and vigor.

By virtue of its great and peculiar power to cleanse the blood, clear the complexion,
strengthen the stomach and other digestive organs, improve the appetite, cure that
tired feeling and build up the whole system, Hood's Sarsaparilla is the Standard
Spring Medicine of the World.

It is the medicine that cures Spring Humors, Eczema, Scrofula, Rheumatism,
Catarrh, Dyspeptic Troubles and That Tired Feeling.

It is the medicine that makes people feel better, look better, eat and sleep
better, according to the testimony of grateful thousands.

Humors and Tired Feeling.
"I heartily recommend Hood's
Sarsaparilla for all spring humors
and tired feelings. I had eczema.
My face was very sore and I lost
one eyebrow. Hood's Sarsaparilla
was recommended, and I took a few
bottles. The humor entirely disap-
peared, and I have had no trouble
since. I have heard very many
speak of the excellence of Hood's
Sarsaparilla." Mrs. B. Gray, 248
Arnold Street, New Bedford, Mass.

Spring Humors.
"I speak from experience of 23
years with Hood's Sarsaparilla in
giving my recommendation. For
spring humors and as a general
blood purifier this medicine never
fails. It always does all that is
claimed for it, and more. I know it
to be good for scrofula, salt rheum,
and all similar troubles, and as a
general spring medicine I can say it
has no equal." Mrs. J. F. Geis, 50
Gould St., Stoneham, Mass.

Weak, With No Appetite.
"When I was a girl, after I had
diphtheria I was very weak, with
no appetite, my blood was poor, and
I could not gain strength. Hood's
Sarsaparilla was recommended, and
after taking it a few days I began
to eat with a relish. It drove out
the poison the disease had left in
the blood, and soon restored me to
health." Mrs. S. L. Carleton, Ayer,
Mass.

Remember that

Hood's Sarsaparilla

Effects its wonderful cures, not simply because it contains sarsaparilla, but because
it combines the utmost remedial values of more than twenty different ingredients, each
greatly strengthened and enriched by this peculiar combination. There is no real sub-
stitute for it. If urged to buy any preparation said to be "just as good" you may be
sure it is inferior, costs less to make, and yields the dealer a larger profit.

Get Hood's Sarsaparilla today, in the usual liquid form or in the chocolate tablets
known as Sarsatabs. 100 Doses One Dollar. Sold by all druggists everywhere.

usual conjoint Mutual Improvement
association meeting in the evening will
be dispensed with at this time.

OBSERVANCE OF ARBOR DAY.

OGDEN, April 16.—Arbor day was
fittingly observed in Ogden yesterday
by old and young people. At several
of the public schools, at the city hall
square and in many yards of the city
trees were planted. In the afternoon at
2 o'clock several trees were planted on
the city hall square under the direc-
tion of the board of park commission-
ers. Mayor William Glasman, Presi-
dent, J. R. Heywood of the Weber club,
John F. Volker, president of the park
commissioners, Frank M. Driggs, sup-
erintendent of the state school for the
deaf and blind, and others took part
in the exercises and planted trees with
their own hands.

At the state industrial school, the
school for the deaf and blind and other
institutions of the city, appropriate
exercises were held and the day ob-
served as a holiday. The pupils of all
of the city schools were furnished with
blankets which they are required to fill
and present to their teachers on
Monday showing how they observed
the day. In many homes the day had
been set apart for a general cleaning
up of yards and premises where rub-
bish had collected during the winter
months.

PLANS FOR MEMORIAL DAY.

OGDEN, April 16.—Preparations for
the proper observance of Memorial day
were made at a meeting of the Span-
ish-American war veterans and the
members of the Grand Army of the
Republic on Thursday evening. The
Spanish-American veterans will con-
duct the services in the city and the
G. A. R. members will be their guests.
Both orders will visit the cemetery and
it is planned to carry the old G. A.
R. men in automobiles. The annual
memorial services of the G. A. R. will
be held in one of the local churches
on the Sunday preceding Memorial day.

FUNERAL OF MRS. BURK.

OGDEN, April 16.—The funeral of
Mrs. Mary Burk was held at the
Lynn ward meetinghouse Friday
afternoon at 2 o'clock with Bishop
James Taylor presiding. A quartet
sang, "Nearer My God, Thee." Mrs.
Saunders rendered the solo, "One
Sweetly Solenn Thought." Pauline
Maddock sang, "Resignation." Fred
Toussaint sang, "My Father's Love."
Emily Maddock rendered the solo,
"Calvary," and Mrs. Mary Farley sang,
"The Christian's Good-night." The
speakers were President C. F. Middle-
ton, William Lowder, E. A. Larkin and
Bishop James Taylor. The attendance
was large and the floral offerings were
beautiful. Interment was made in the
city cemetery, where the grave was
dedicated by David Jensen. Members
of the city police force and deputies
from the sheriff's office acted as pal-
li-bearers.

RICHFIELD.

**SEVIER COUNTY ROADS—
SUGAR FACTORY PROMISED**
(Special Correspondence.)
RICHFIELD, Sevier Co., Utah, April
15.—At the meeting of the county com-

missioners this week the chief matter
up for consideration was county roads.
The first was a proposition for a
change in the road north of Richfield
to make it run west of the land which
the new canal will irrigate, but the
commissioners decided not to make any
change at present. The master of the
road along the canal bank from
Sigurd Anderson of that place who ap-
peared with a list of the land owners
along the canal and a schedule of what
they would do in the matter of right-
of-way providing the state highway
should be constructed along the canal.
No action was taken by the commis-
sioners.

The report of the change of the road
between Salina and Scipio, showed
that the farmers had given the county
the right-of-way for the new road and
it is now open for travel.
In the Salina canyon road the road
commissioner submitted an estimate
of the probable cost of the road to be
\$1,000. The commissioners proposed to
furnish \$300 for this road if the Mantle
Live Stock company will put up the
balance, the whole amount to be
spent under the supervision of Road
Commissioner Tuff.

A change was ordered made in the
road between Elsinore and Central
that the understanding that the prop-
rietors give the right-of-way for the
proposed new road.
The clerk was ordered to prepare a
list of the lands sold for taxes in 1899
and not redeemed, same to be read-
justified and sold if necessary.
The bids for the erection of the
bridge in Salina canyon were all re-
jected on account of being too high
and the clerk was authorized to re-
advertise for new bids for the same
work.

SEVIER COUNTY ROADS— SUGAR FACTORY PROMISED

RICHFIELD.
A number of missionaries left this
week for their various fields of la-
bor. Joseph P. Hurt for Graceland,
Merrell Valentine for Sweden and Miss
Sylvia Mason for the Sandwich Islands.
Wm. Horsley & Sons, who have
been digging for water on their dry
farm purchased from the Promontory
Culiv Land company, feel highly elated
over their success in reaching wa-
ter at a depth of 100 feet. The water
from the Promontory dry lands means a
great deal to that country.

At the services at the tabernacle last
Sunday afternoon, Elder Isaac A. Jen-
sen, who recently returned from the
Scandinavian mission, spoke of the
good work being done in the north
countries by our Mormon boys. The
other speakers were Bishop Thomas
H. Blackburn and Presidents Lucius
A. Snow and W. C. Horsley.
On Thursday, one of the best cooked
dinners ever served in Brigham City,
was given by the domestic science
department of the High school to the
members of the board of education and
educators who were prominent in ear-
lier movements which resulted in the
splendidly equipped High school of to-
day.

DR. THOS. E. GREEN LECTURES IN LYCEUM COURSE

MURRAY, April 16.—The Murray Ly-
ceum course will present Dr. Thomas
E. Green Friday, April 22, as the last
number of the season's course. Dr.
Green has appeared in every state with
the highest endorsement. He has
taken the platform twice in Ogden of
this state and made such a profound
impression that he has been asked to
appear there again. He will lecture
here on "The Key to the Twentieth
Century"—a study of American dynam-
ics. The people of this community
are assured that they will listen to a
skilful and magnetic orator—one who
entertains and instructs.
At the council session this week only
routine business was transacted.

COMMERCIAL CLUB ANNUAL.

The Commercial club has invitations
out announcing the first annual ball
and banquet to be given under the
auspices of the club Thursday evening,
April 21 in the Trocadero Hall. The
board of governors is making strenuous
efforts to get the people together and
show them the necessity of pulling to-
gether in view of making Murray a
more prosperous and bigger community.

STATE SUPT. VISITS SCHOOLS.

MURRAY, April 16.—State Supt. A.
C. Nelson visited the Murray schools

this week and expressed himself as be-
ing highly gratified with the condition
of the schools.
A special board meeting was held on
Thursday evening for the purpose of
receiving the answers from teachers
upon their appointments. A majority
of teachers will be retained but
three will be dismissed. Miss L. L.
Kinney resigned her position having
decided to leave the state at the close
of the school year. Mr. W. R. Fowler
and Mrs. Victoria Fowler have resign-
ed and there will be vacancies to fill in
the supervision of manual training, art
and sewing. Miss Eliza Lester, a nor-
mal graduate, has received an appoint-
ment for next year, and other new
appointments will be made at once.
Schools were closed on Friday and
the Murray school building about their
homes on general Arbor day work.

TREE PLANTING ON B. Y. U. CAMPUS

(Special Correspondence.)

PROVO, April 16.—Arbor day was ob-
served in a quiet way here by the oc-
cupants of the campus. The beautify-
ing their premises. Practically all the
business houses were closed. The only
formal observance of the day was by
the Brigham Young university. Two
hundred of the freshmen were given to
hours of the forenoon were given to
regular class work, after which an
Arbor day program was rendered. The
faculty and students then marched to
Temple hill, without the Mormon Monu-
ment building is in course of erection,
and where the university owns a large
tract of land on which other buildings
will be erected in the future. There
they did some effective work in the way
of tree planting, setting out about 300
trees and shrubs. Athletic sports be-
tween the collegiate and the high school
departments were enjoyed on the cam-
pus in the afternoon.

RAINBOW TROUT PLANTED.

PROVO, April 16.—Chief Deputy Fish
and Game Warden Madsen planted
150,000 rainbow trout fry in Provo river
and tributaries yesterday. This makes
450,000 planted during the last three
weeks, and 500,000 more will be planted
with the next two weeks. These trout
are from the state hatchery at Spring-
ville, which is being managed by Mr.
Madsen.

CAPTAIN DAVIS IN MEXICO.

PROVO, April 16.—Capt. W. E. Davis,
who formerly lived in Grand county of
this state and achieved considerable no-
toriousness about 15 years ago on account
of a shooting scrape in which he killed
three men, is now living in Sonora,
Mexico, according to reliable reports.
It was reported here some years ago,
and generally believed, that Capt. Davis
had been killed at Crispin Creek dur-
ing the miners' strike there; but this
seems to be a mistake.

TUNNELING FOR WATER.

PROVO, April 16.—F. W. C. Hatten-
bruck, who is driving a tunnel for
water to develop a subterranean flow
in the mouth of Slate canyon, is now in
with the tunnel 140 feet, and about 60
feet more surface. He has a flow
of water filling a two-inch pipe, which
is considered very encouraging, as he
expects to drive 60 feet farther before
striking the subterranean stream which
he is driving for. The tunnel is now in
granite.

NEW DEPUTY SHERIFF.

PROVO, April 16.—Sheriff Judd has
appointed Felix Bachman deputy sheriff
to succeed P. P. Pratt, resigned. Mr.
Bachman is well qualified for the position.
He is a Philippine veteran and has
served four years as county clerk.

CHILDREN'S ANSWERS.

Children's answers to historical ques-
tions are sometimes illuminating. The
12-year-old boy who wrote: "The ques-
tion of Ireland began in 1170 and is
still going on," was evidently a pre-
cocious political genius. And the girl,
who, when asked for a character of
Queen Mary, replied: "She was wilful
as a girl and cruel as a woman; but
what can you expect from a person
who had had five atmospheres?" show-
ed a logical mind. Sometimes they al-
low their patriotic feelings unduly to
bias them. This was the case with an
American boy who, called upon to
name the first man, answered Wash-
ington.

Beware of Ointments for Catarrh That Contain Mercury.

Mercury will surely destroy the sense
of smell and completely derange the
whole system when entering it through
the mucous surfaces. Such articles
should never be used except on pre-
scriptions from reputable physicians,
as the damage they will do is ten fold to
the good you can possibly derive from
them. Hood's Catarrh Cure, manufac-
tured by F. J. Cheney & Co., Toledo, O., con-
tains no mercury, and is taken internal-
ly, acting directly upon the blood and
mucous surfaces of the system. In buy-
